

# **Educational Tour/ Lakbay Aral**

**A proposal from  
Kalinangan Educational Consultancy  
(KEC)**

# Who we are?

- We are a duly-registered enterprise that offers educational services
- We conduct educational tours
- We organize and facilitate training workshops, fora and conferences
- We design effective informational and educational materials (e.g. training modules, IEC materials)
- We develop educational strategies that assist campaigns and advocacies (e.g. media advocacy)

# **Educational Tours**

**We design exciting and affordable educational tours that will help you learn about Filipino culture and history.**

# These tours are for

- Teachers and students who are looking for an educational tour that takes seriously the “learning” part of the educational tour or lakbay-aral
- Employees and staff of non-government and government institutions who are searching for activities that renew their energies and bonds together
- Barkadas who want to combine fun and discovery
- Families who want to enjoy their vacation while discovering more about our culture and history—a great way to make learning an enjoyable experience for kids.

**Pinoy Kultours**  
**2007-2008**

**The following tours can be  
arranged with or without  
transportation.**

# PINOY TECH

- PinoyTech helps us learn about Filipino technology.
- Name of Tour: “From Tsinelas to Flip Flops”
- Visit the town of Liliw, Laguna. Learn about tsinelas-making. Be inspired by Filipino creativity and ingenuity.

# Pinoy Tech

- This tour includes lectures, games, and visits to Liliw shops and cultural heritage. Visits to historical landmarks in Laguna can also be arranged.
- This tour is available for groups of 5-50 participants. Tour is from 7:00am-5:00pm.

# LikasPinoy

- LikasPinoy teaches us about caring relationships with the earth.
- Be informed by discovering nature. Be transformed by the mystery of God's creation.

# Likas Pinoy

This tour will open our eyes, ears, nose and sense of touch in order to be attentive to our environment. The purpose of this tour is to inform and transform our relationship with the earth. This tour helps us appreciate the value of caring for the earth through science.

# Likas Pinoy

- Tour includes lectures, challenges, and visits to natural habitats. Choose from among these sites: Laguna, Sorsogon/Camarines Norte and Benguet/Mt. Province.
- This tour is available for groups of 5-50 participants. Length of days will depend on the area of exposure.

# PinoySpirit

- PinoySpirit makes us aware of our spiritual traditions that express our relationship with the Divine.
- Be open. Be inspired.

# Pinoy Spirit

- This tour makes us critically aware of our spiritual traditions and religious practices as a people. When speaking of spiritual traditions, this would include our indigenous spirituality, Christianity, Islam and other religious movements that have taken root in the Philippines.
- The main objective of this tour is to make us aware of the role of spirituality, or religion, in our society and particularly in creating the Filipino identity.
- Another objective purpose of this study tour is to make us appreciate with respect the many ways Filipinos expressed their relationship with the mysterious Presence.

# Pinoy Spirit

- This tour includes lectures/discussions, challenges with any of the following activities: tour around the churches in Metro Manila or Rizal, religious orders, observance of a religious traditions among indigenous peoples, exposure to new religious movements in Metro Manila or Luzon, visits to historical landmarks that feature religio-political movements in the Philippines.
- This tour is available for groups of 5-50 participants. Length of days will depend on the area of exposure.
